

Aug. 11, 1938
Furlingua, Tex

Dear Jim,

I know the drug-
stone cowboy. We
are having lots of
fun. A boy stepped
in a bear trap yester-
day while we were
going to Bart Springs.
We climbed Casa Grande
yesterday. Elev. 8340 feet.
Then we climbed
Mount Everett too.
I hear two horns & have
to go.

adieu,
Jack
