Dear Mama,

I got your letter today. The one written in ink and Gertrude made icecream

Well ~~is~~ I started to work today in the Sub Depo (where all the airplane parts are kept). I don't know how long I will work there but it may be till the 327 Group forms. It will be better than doing anything that comes up and I don't have to be on K.P. I work from

8 till 11:30 in the morn  
and 1 till 4:30 in the  
afternoon and have one  
day off each week  
but that may not be  
Sunday. I never worked  
hard at all today. I  
helped receive parts  
when they came in and  
checked them in and  
moved some boxes.

It's hot here again  
but it may be cold  
tomorrow.

I get paid \$26.01 and  
gave a dollar for selders  
relief. They take out for  
laundry and insulene  
I never did get L.M.

any thing for gradual  
graduation because there  
is no place to get it.

Would you get him  
something and give it  
to him and explain  
why I didn't get it  
and why it was so  
late. I'm going to send  
some money home the  
first chance. I have  
\$47.00 now so you  
can take the cost out  
of the money when I  
send it. ~~Part~~ Pay at  
least a dollar for  
it or more if you want  
to. I went to church  
here on the field.

yesterday. That is the  
only place to go.

There are several Baptist  
churches in Salt Lake  
City but I don't know  
how big they are or  
what they are like.

Well I guess that's all  
for now.
