Mr. Theodore M. Herring,
San Angelo, Texas.

Dear Mr. Herring:

Your nice letter of the 26th instant is very greatly appreciated. The confidence which you, and many others, throughout the district have expressed in me will cause me to strive diligently to represent this district in an able and satisfactory manner. After I have assumed the difficult, and at times, trying responsibilities of this office I shall need your continued support and confidence.

Please express my appreciation to Mrs. Herring and your daughter, Mary Catherine for their friendly interest in my behalf.

Very truly yours,

Charles L. South
