

June 9, 1944

Dear Mother,

It has been several days since I have heard from you. The last letter I had was written on the 30th of May though so that is not so long ago.

Have you ever received the money orders that I sent to you? I hope that you have.

Last night I did not write to you because I went on liberty. I saw the show "Heaven is Around the Corner" which was pretty good.

[page 2] The last few days it has been raining quite a bit. I wish that we would have some summer weather here.

There is really not anything to write about so I will close this time.

Your son,
Tom D
