Dear Mother,

Today I received your letter of the 27th of December. Of the pictures that you took are good to see and send me some. I received a letter from the Martins today and a picture of Ann was enclosed. Yesterday I got some pictures of the girl I write to in New Mexico and several days ago I got a picture of Ruth which is not very good. I had a card from Uncle Tom and Suelle also today. Tomorrow is my day off so I am going on duty. Yours son, Tom D
