Dear Mr. Gonzales:

In reply to your letter of December 15th, I wish to advise that we have searched our files everywhere and we cannot find a letter from you as indicated in your letter concerning the Latin-American situation at Melvin.

I have turned this matter over to Dr. Joseph R. Griggs, who is to make the investigation at Melvin and also one at Big Spring at an early date. We hope that we will be able to get this matter straightened out immediately after the Christmas Holidays.

With every good wish for you and yours during this Holiday Season, I am

Cordially yours,

L. A. Woody
State Superintendent
