

England

Dear Mother,

Today I received your letter of the 27th of December. If the pictures that you took are good be sure and send me some. I received a letter from the Martins today and a picture of Ann was enclosed. Yesterday I got some pictures of the girl I write to in New Mexico and several days ago got a picture of Rut which is not very good. I had a card from Uncle Tom and Lucile also today.

Tomorrow is my day off so I am going on liberty.

Your son,
Tom D
