Dear Betty,

How is my sis getting along? I guess that you are getting anxious for school to be over, aren't you. [sic] Do you have any idea what you are going to do when you finish. [sic]

Yesterday I received your letter of Feb 2nd and today the Hudspeth Co. news. Haven't they been printing the school paper anymore. [sic] I would like to get it if they do.

Thanks very much for the stationary, Betty. You are probably wondering why I am not using it. I want to use this up first and also the large air mail envelopes this will be in.

Tonight I am going to the Red Cross with some of the fellows and fool around for awhile as I haven't much to do here at the hut. Before I go I think that I will write to Julia. Has she been home lately. [sic]

Wish that I had more to say but I don't so I will close.

Your brother,  
Tom

P.S. How is old Captian [sic]?

Will you look in my drawer and get Jeans picture and sent [sic] it to me.
