Dear Mama,

I'm some where in
New Jersey but I can't
tell where. We got here
this afternoon about
3:30. We left S. City
Friday afternoon. I don't
know just how we
came but I we came
through Chicago and then
down into West Virginia
and through Washington D.C.
I don't have any ~~idea~~
how long we will
stay at this place. We
have good barracks
to ~~stop~~ sleep in.

I don't know if we will
get passes here or not.
If we can I want to
go to N.Y. which isn't
very far away.

Well it's late and
I'm sleepy so I'm going
to close. Write soon.

Love

Norman
