

Dear Mama,

I got your V-Mail written June 15 yesterday. I was glad to hear you got the pictures. I guess you will get a letter from Mary by the time you get this telling you a bit of news. Mary can knit and sew something wonderful if she could get the material.

I got two papers today for May 12 and 26. I get the church papers every once in a while but haven't had one for some time now. It will soon be two years since I was home last. Well this is all the room so I got to stop now.

Love,

Norman
