MRS. KATE GEORGE
SECRETARY

Mr. Theodore M. Herring,
San Angelo, Texas.

Dear Theodore:

This will acknowledge the receipt of your letter of April 6th. Mr. South talked with me about you before he recommended your reappointment. It was a great pleasure to urge him to endorse you for another term. I know you are competent, experienced and my friend.

Speaking of friends, however, it is my judgment that the best friend you have- and particularly in this matter- is Bob Neill. I did not know you but I would trust him about anything on earth and he was so strong for you that it was a pleasure for me to grant his request and stand by you to the last. I am sure you feel very grateful to him for he is your loyal and fighting friend, and more responsible for your reappointment four years ago than all other persons combined.

With good wishes, I am

Your friend,

R. E. Thomason
