

Light of Love shines at Timon's Ministries.

## Christmas party at Timon's Ministries

Timon's Ministries held its very successful annual Christmas Party for the children of their clients on December 16, 2000, from 12:00-1:30 p.m.

This year Mrs. Helen Dissenger volunteered to be Santa Claus. Brand new toys and gifts for children, purchased and wrapped by Lord of Life Lutheran Church's Youth Group and members of the Unitarian Universalist Church were distributed by Santa.

It was a very festive occasion with punch, cookies, cake, hot dogs, and candy served. Linda Tomsu read Christmas stories, Mark Saleff provided entertainment on the keyboard, with MelaniWeenen accompanying on the flute and singing Christmas songs.

Timon's Ministries is that Light of Love  
shines so brightly in Flour Bluff

throughout the year, but especially at Christmas time. It is a non-profit organization that provides assistance to the homeless and the needy of Flour Bluff, N.A.S., and Padre Island communities.

According to Mary E. Hankins, Executive Director, "We try to emulate the love of Christ, the one whose birth we celebrate, by showing love, compassion, and concern for our clients and their children." On Thanksgiving the organization provided 106 baskets to the needy of the community.

*Timon's Ministries' Staff and Board of Directors thank everyone for their generous donations of toys, food, blankets, coats, clothes and funds. End of the Year donations can still be sent to Timon's Ministries, and a "Letter of Substantiation" will be provided. Call 361-939-9633 for more information.*
