Dear Mother,

Today your letter of the 4th and Betty's of the 5th came. I was very glad to receive them both. I was in town yesterday so I didn't get to write. Saturday afternoon I went in. Jean's brother in law was home to see his baby for the first time. Sunday we went to a seaside town for a day. It is still to [sic] cold to go in swimming but we had a good time looking around. She had her first ice cream for over two years. We took some pictures which I hope come out good.

Tonight I have a four hour watch so I am going to close after answering a couple more letter [sic] go to bed.

Your son,
Tom
