Dear Mama,

I haven't wrote because our mail has been held up. I don't know when you will get this.
We may leave here tonight but I don't know [sic] sure. I got your card telling about Uncle Lorn.

From now on, my address will be

Tell everyone and tell them not to expect any letter from me but give them my address
and have them write me. I will write again when I can.

Love,
Norman
