Dear Mama,

I got your letter written Jan. 4 today. I thought the pictures were ~~very~~ good. I don't know why the letter was so long getting here.

I got a 48 hour pass over the weekend and

---

went to see Mary. I left Sat. and got back last night (Mon. night).

Mary got the shoes but they were too large so she is going to sell them and get some more. <sup>If she can get them</sup>

There are several people wanting to buy them and she can't decide who

to sell them to.

I had a nice time  
but it took so much  
time traveling back  
and forth.

The weather has  
been pretty here and  
not very cold.

I just finished writing  
a letter to Mary and  
it's getting late so I'm  
~~going~~ to stop with  
this page. If I knew any  
thing to say I would  
write more ~~but~~ the date  
roll was so dry it wasn't  
very good but we ate  
most of it. Well goodby  
now. Love,  
Norman
