May 5, 1966

Dear Folks,

Enclosed are some clippings of Donna's announcement of her engagement. I am sending you a copy for James, Maxine, Elizabeth, and Calvin and one or two extra for anyone else. I never write to anyone anymore, and I thought you might enclose them in your letters to the children. Don't be in any hurry - just the next time you write.

This is going to be a busy month for us. I'm still conference secretary and secretary of the Official Board for the church. Quarterly Conference

met May 1 and Annual Conference meets  
May 16, so I have been busy working  
on Church records and reports.

Donna's wedding arrangements have  
kept me hopping, too.

We are all well now. I had a cold  
and didn't work last Monday, but  
I feel fine now.

Louise and Ann did fly home for  
Easter. The doctor agreed to let Ann  
fly, but told her not to travel by  
car. Her baby is due in September  
sometime. They said they would not  
be home again until next Christmas.

We wish we could see you.  
Arthur doesn't get his vacation  
until August.

Lots of love,  
Bernie, Arthur & Gil
