England

Dear Mother,

Last night I did not write to you because I couldn't think of anything to say. Tonight I still haven't any mind to say. For the past week I have been putting in quite a few housework days.

For several days I have not received any kind of mail at all. I hope that I get some in a few days or so. How is Betty getting along in school? Is Daddy doing OK with his two jobs now that he has been at them for a while. It is some letter but it is the best that I can do tonight your son,
Tom D
