

Dear Mama,

I'll just write a few lines and let you know there isn't anythang to write. I got a letter from Lena Bell yesterday. [unintelligible] on my letter writing and don't know when I will get to catch up. I made 89 on a simifinal [sic] in instruments. We are signing the pay roll this morning but I haven't signed yet I don't know what time I will get to sign. It has been cold yesterday and today. The sun is shining this morning so it may clear up.

Did Dady [sic] every talk to Mr. Jeon [unsure]?

Norman
