Dear Mother,

Yesterday I received your letters of the 16th and 21st of May. Today the one of May 22nd as well as one from Betty of the same date.

You are a little mixed up on the length of time I have been over here. On the 16th of this month not last month I will have been over here six months. Sometimes it seems like it has been quite a long time and others it doesn't seem so long. I do not know how much I weight [sic] exactly but I have not gain [sic] any I don't think.

I [sic] sorry that Iva mae and Walter are sick and hope that they get better soon.

So Tommy got married. I hope that he married a nice girl.

Betty has received some nice gifts hasn't she. [sic] I heard from Jackie, today.

Your son,  
Tom D
