Dear Mama,

I got your letter dated Nov. 24th today. I got the sweater and it fit fine. I went to London last week for the first time. I would not go back for the place. I saw all the famous building. We had an old man to show us around. I could not see so many places that had been bombed. There was a few building rocked out

If Jr. Sibbs ever comes to England let me know his APO as soon as you can. If you can send me his address now and I will write him.

Don't worry if I don't write very much because there is no danger where I am. I don't write because I don't want a thing to say. Love

Norman
