

August 27, 1945

Dear Mamy,

I got your two letters written
 one written July 17 and one written
 Aug. 17 about today as
 well as a letter from
 Gertrude written Aug. 19
 and a card from Waldene
 written July 17. The last letter
 I got from Mary was written
 Aug. 18th.

Today is the first pretty
 day we have had in
 a long time so all
 the airplane out out taking
 pictures. Most of them
 made two trips. They
 may not get to take this
 many pictures in several
 weeks. If this weather
 keeps up we will be
 finished ^{in a few days} but that don't
 mean we will go home
 but there won't be
 much to do that I
 can see but I guess
 they can find plenty
 for us to do.

This is the third letter
I have written in less
than two weeks so
I don't know much news.
Which store is Robert
working at?

Will Richard be getting
out of the Navy. I'd should
have little enough time
to get out. I told you
I hope to be home by
the first of the year
but I didn't say which
year. The army treats everyone
so fair. The first in the
last out. The first overseas
the last home.

Has Fred Sharp got home
yet? What ever happened
to Ernest Morrow. Is he
still in the states.

I will close because I
don't know any news

Love
Norman
