

Keesler Kids
April 24, 1942

Dear Mama,

We got our diplomas
Sunday morning but
they haven't shipped
most of us yet. They
shipped a few Sunday
and another lunch today.
I expect we will all
go tomorrow if not
today. We have been
working around the
log area. We got
to go to town Sunday
night. I would have
wrote yesterday but
I thought I would
leave today and I would
let you know where I went
Norman
