

My darling wife,

I hope you didn't take things too hard as I have been perfectly safe all the time. I am now at my permanent camp so please write to me.

I've been planning a few things for after the war. We may buy a little farm or ranch near Angelo. I could learn to farm and we would be free as the breeze. Think it over.

Marion Kayand is here and I think Stratton Beasley is here but haven't seen him

Marion is alright but hasn't heard from home yet.

Take good care of Louie and don't worry about me.

Everything is alright.

Wounds of love, Arthur
