

Dear Mama,

I got your letter written Aug. 17 a few days ago and Mary got one written a few days later the same day. She answered her's yesterday. I was on K.P. today and I worked pretty hard. It has started to rain again so I guess we will have a lot of it now. I got some pictures from Waldene. They sure were good. I was shocked to hear of Miss Della Morrow's death. It looks like Earnest has had the worse luck as anyone. Well I will stop now.

Love,  
Norman
