Dear Mama,

I'm somewhere in New Jersey but I can't tell where. We got here this afternoon about 3:30. We left S. City Friday afternoon. I don't know just how we came but we came through Chicago and then down into West Virginia and through Washington D.C. I don't have any idea how long we will stay at this place. We have good barracks to sleep in. I don't know if we will get passes here or not. If we can I want to go to N.Y. which isn't very far away.

Well it's late and I'm sleepy so I'm going to close. Write soon.

Love,

Norman
