SAN ANTONIO, TEXAS

Dear folks,

I didn't mean for you to try to buy any gym clothes. I meant for you to just send any T shirts or things that James may have sent home. The S. A. A. C. C. is a separate camp from any of the air fields. I guess it's nearest Kelley Field, but the only planes we see are overhead. We are about 10 miles from town. We've been to town twice since we've been here. Say, did we borrow 20 or 25 dollars when we were home? Please send Carter's address and Bob Baldwin's also. Well, write soon.
as ever
