Dear Aunt Annie,

A couple of days ago I received your letter and enjoyed it very much. Mother sent me Jackies address so I am going to write to him as soon as I answer some more letters.

How is Thelma Lee making out with her teaching this year? She doesn't get to come home very much does she?

I [sic] still not doing any flying but I am getting along O.K. Where is Uncle Red working now? How is Granpa getting along.

Your nephew,  
Tom D
