

Dear Mama,

I have received your letters in the last few days. I got one from Lena Bell and Richard wrote Jan. 13, one from Mr. and Mrs. Snell written the same day about. One from Gertrude written 18 and yours written Jan. 12. I also received your Vmail written Feb. 8. I am still at the same place but we moved to a new site. The weather has been a little better for the last few days. I wrote Max about the same time I wrote Richard. I am going to write Mrs. Snell myself in a few days. I can't write J.R. because I can't read his address because it is blurred. Well, write soon and tell everyone hello.

Love,
Norman
