

The City of San Angelo

Greetings:

As Mayor, it is an honor and privilege to welcome you to San Angelo for the 2010 Pan American Golf Association National Winter Meeting and Golf Tournament. We believe you will find San Angelo a welcoming, caring place with the charm of a small town and amenities of larger cities.

San Angelo offers a unique mixture of arts and culture of West Texas and is home to the 6,000-plus student Angelo State University, a member of the Texas Tech University System. Other treasures include our historic murals, internationally acclaimed water lilies and Concho Pearls found in freshwater mussels unique to this area.

In addition, we hope you take time to experience our unique river walk, three lakes, outstanding historical and cultural amenities, and a variety of dining, entertainment and shopping venues. San Angelo boasts some of the best restaurants in the state, including Miss Hattie's, which serves up one of the Top 50 hamburgers in Texas, according to Texas Monthly magazine.

Again, we welcome you to San Angelo. We hope your stay will be memorable and your golf game successful. We invite you to come back and visit for business or pleasure. San Angelo is a great place to live and work.

Sincerely,

Alvin New
Mayor
