

like that. He wrote her
a letter this afternoon and
told her what happened
only didn't mention any
names and told her if it
were true he would get a
divorce as soon as he
gets home and ~~got~~ assured
her that he would get
Dennis. He is so damned
defenceless over here to do
anything. If he were in the
states it wouldn't be so bad.

It may not true but if it
is she ought to be housewhipped
I guess that is the pityfull
part of war or at least
one pityful part.

Along the lighter name
I ran across the enclosed
cartoon and think its kind
of cute don't you?

If my letters smell like
