Dear Mother,

As soon as you can the day you get the letter if you will get a notarized statement saying that if something happens to me you will take care of Jean. Send about three copies. I am going to send Jean home as soon as I can mother so look for her in about a month or more. I'll let you know the date whenever it is definitely [page 2] all fixed up as to when and how she is going to go.

I haven't much time to write tonight, mother. It is suppose [sic] to be my liberty night but I have been working.

Your son,
Tom
