Dear Mama,

I got your letter written Jan. 4 today. I thought the pictures were very good. I don't know why the letter was so long getting here.

I got a 48 hour pass over the weekend and went to see Mary. I left Sat. and got back last night (Mon. night). Mary got the shoes but they were too large so she is going to sell them and get some more if she can get them. There are several people wanting to buy them and she can't decide who to sell them to.

I had a nice time but it took so much time traveling back and forth.

The weather has been pretty here and not very cold.

I just finished writing a letter to Mary and it's getting late so I'm going to stop with this page. If I knew anything to say I would write more. The date roll was so dry it wasn't very good but we ate most of it. Well goodbye now.

Love,

Norman
